**Subject: Optional Extended Ramp Kit for Rotary Four Post Lifts**

Dear valued distributor,

Please be advised that a new optional extended ramp kit has been developed for the Rotary four post lift range to reduce runway approach angle and help lift lower vehicles.

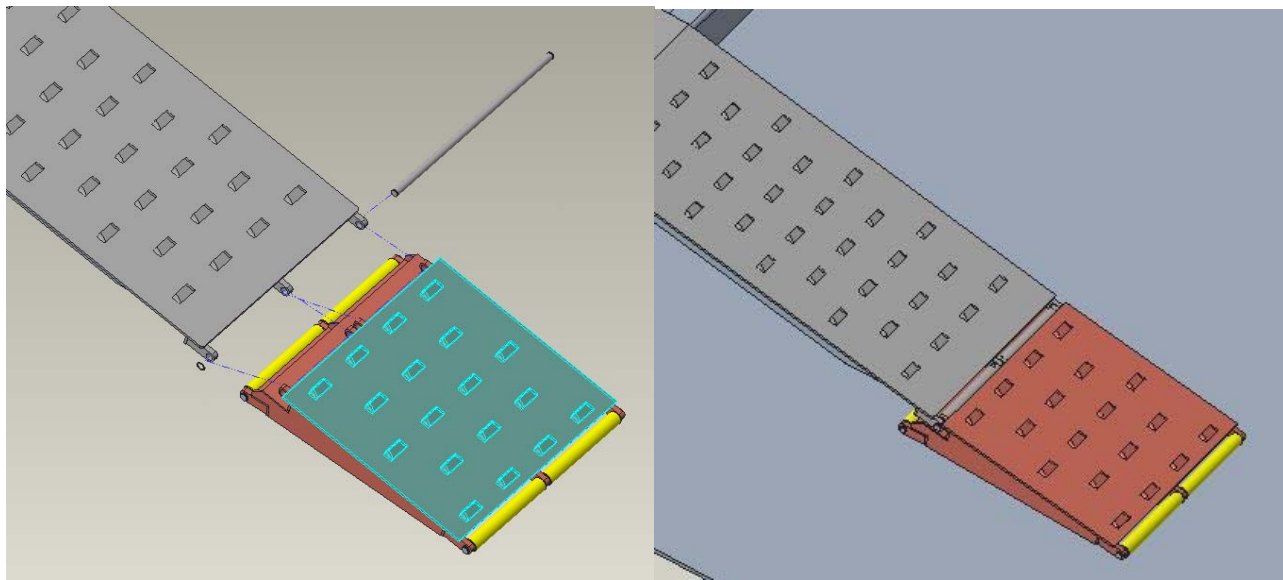

The new kit part number is SM14-05KIT1, which includes 2x SM14-05EEL-00 ramp extensions.

The new extension has a length of 597.2mm and reduces the approach angle from 10 deg to 7.2 deg.

This accessory can be installed with the standard ramp kit S110405Y on the lifts: AR14, ARO14, SM14, SMO14.

For any questions concerning this announcement, please direct to our customer support at [huihua.lu@rotaryliftdasia.com](mailto:huihua.lu@rotaryliftdasia.com).

Regards,
